# Printable Passport

- Print pages and trim edges.
- Cut each sheet apart on double line only; fold pages on single line.
- Staple in center of fold to create book.
- Explore new languages and cultures with Explor-A-World! As you learn about different countries and languages, job down some notes in your Passport to keep track of your travels.
- Share what you have learned with friends and family!
- Visit **[exploraworld.org](http://exploraworld.org)** for more information
